

Dear Parents,

Our mission is to work together with you as parents, to develop these 7 healthy habits in your youth before they graduate from high school:

- To be independent Bible readers.
- To have a relevant prayer life.
- To be morally pure and understand their God given gender identity.
- To attend and be actively involved at church while in college.
- To know their God-given life purpose and pursue it.
- To honor their parents and walk in and under kingdom authority.
- To be soul winners.

We want to encourage you to walk alongside your youth in their spiritual journey. The 7 habits are key to shaping their future as followers of Christ. Your support and example in these areas will make all the difference. Continue to encourage these habits at home, pray with them, and model what it means to live a life fully committed to Jesus.

We are praying for you and your family.

Pastor Javier and the Youth Coach Team
